

Acorns to Oaks Before- and After-School Program

**We accept students from the following schools:*

Monsignor McHugh (after school only)

Pocono Elementary Center

Swiftwater Elementary Center

Swiftwater Immediate School

Before school, students socialize and have access to computers, our reading loft, art supplies and other materials until the buses arrive.

After school, weather permitting, students have playground time, receive a snack, followed by a homework period. Afterward, they may socialize and have access to all the center's materials.

**When school is closed because of inclement weather, or a holiday, but we remain open, school-age students may spend the day at Acorns to Oaks.*
